

Workshop 2005  
Leading the Way

Fisheries Program  
in the Lil'wat Nation

Lil'wat Nation and the Lil'wat Fisheries Commission has been a leading force in the Lillooet River Watershed. This dynamic presentation will provide a first hand overview of the past 3 years of the stock assessment program conducted jointly by the Mount Currie Band and the Lil'wat Fisheries Commission. A PowerPoint presentation will be given with video clips on their current projects and the proposals that are underway.
